

## GeoJourney Textbooks Summer, 2009

For GeoJourney, you are required to purchase two books. Used versions are suitable.

Field-based Physical Geology, GEOL 2500 and Field-based Historical Geology, GEOL 2510

***Earth: Geologic Principles and History*, Stanley Chernicoff, Haydn Fox, Lawrence Tanner. Houghton Mifflin Company; (January 2002) ISBN: 0-61-802275-9**

American Cultural Studies, ACS 2520

No text needs to be purchased

Environmental Studies, ENVS 2530

***Ishmael*, Daniel Quinn. Bantam; Reissue edition (May 1, 1995) ISBN: 0-55-337540-7**

Additional **required reading packets** for Geology, American Culture Studies, and Environmental Studies and as well as other materials (field notebooks, rock hammers, hand lenses) will be provided to you by the GeoJourney program upon our departure on Saturday, June 13, 2009. You will also be issued a **video iPod** containing instructional materials. Reading packets, field notebooks, and hand lenses will be yours to keep. Rock hammers and video iPods will be collected from you at the end of GeoJourney.
